**NOTICE TO ALL
PLANNING BOARD APPLICANTS
FOR
SPECIAL USE PERMIT**

The applicant is responsible for the completeness of all forms for the application to be processed. All completed applications are subject to the rules and regulations as established by the State of New York and the Town of Canandaigua. The Planning & Zoning Department cannot guarantee any board approvals for completed applications.

This application packet only includes a request for the Special Use Permit and Preliminary Site Plan approval. The applicant will be required to submit a separate application for Final Site Plan approval after the Special Use Permit and Preliminary Site Plan approvals have been granted. Each of these three approvals must be granted prior to any permits being issued.

Required Documents for Application Submittal Special Use Permit

- If applying for a *new special use permit*, you shall submit:
 - Permit application(s) for all proposed construction / site development.
 - A site plan in compliance with the Preliminary Site Plan Checklist (attached to application packet)
 - A Planning Board Application (attached to application packet)
 - A Special Use Permit Application (attached to application packet)
 - A Short Environmental Assessment Form (SEQR) (attached to application packet)
 - A Soil Erosion and Sediment Control / Limited Development Overlay (LDO) Permit Application (attached to application packet)
 - An Agricultural Data Statement (attached to application packet)
 - Elevation drawings of the proposed structure(s) noting the height from the average finished grade.
 - A Statement of Operations.
 - A final site plan approval application (separate packet).

- If applying to *renew an existing special use permit* with no proposed modifications, you shall submit everything that is required for a new special use permit except:
 - Do not need to submit an application for final site plan approval
 - Submit a copy of the site plan signed by the Planning Board Chairperson
 - Submit photographs of the existing site (not elevation drawings)
 - Submit a written statement describing compliance with all past Planning Board conditions of approval

- If proposing *modifications to an existing special use permit*, you shall submit everything that is required for a new special use permit.

You must submit the original application forms, one copy of the site plan and elevation drawings. Additional copies will be requested at a later date.

Fees:

1. The Planning Board application fee is \$100 and is required to be submitted at the time the application is submitted to the Town Development Office. This fee is non-refundable.
2. The property owner is responsible for the reimbursement of any consultant fees incurred during the application review process.
3. The Special Use Permit fee is \$50. This permit (and any other required permits which are subject to additional costs) shall be obtained from the Town Code Enforcement Officer prior to commencing the proposed use on the subject property.

E. IS THERE, OR IS THERE LIKELY TO BE, CONTROVERSY RELATED TO POTENTIAL ADVERSE ENVIRONMENTAL IMPACTS? Yes No If Yes, explain briefly:

PART III - DETERMINATION OF SIGNIFICANCE (To be completed by Agency)

INSTRUCTIONS: For each adverse effect identified above, determine whether it is substantial, large, important or otherwise significant. Each effect should be assessed in connection with its (a) setting (i.e. urban or rural); (b) probability of occurring; (c) duration; (d) irreversibility; (e) geographic scope; and (f) magnitude. If necessary, add attachments or reference supporting materials. Ensure that explanations contain sufficient detail to show that all relevant adverse impacts have been identified and adequately addressed. If question D of Part II was checked yes, the determination of significance must evaluate the potential impact of the proposed action on the environmental characteristics of the CEA.

Check this box if you have identified one or more potentially large or significant adverse impacts which **MAY** occur. Then proceed directly to the FULL EAF and/or prepare a positive declaration.

Check this box if you have determined, based on the information and analysis above and any supporting documentation, that the proposed action **WILL NOT** result in any significant adverse environmental impacts **AND** provide, on attachments as necessary, the reasons supporting this determination.
