  - David Korpiel will be offering an Active Adult opportunity this winter at the Canandaigua Civic Center – ice skating and bottomless coffee.

  - Work has started on the design to develop the West side of Outhouse Park. Chris Jensen has developed a plan.
  - The inclusive playground group asked to meet with us again. They were given some options and are interested in the west side of Outhouse Park – it meets the need for 60-80 parking spaces.

  - A meeting with Covered Wagon Bus tours in January will determine what trips will be offered in 2019.
3. Water trail update – Ordinance committee is completing work that would allow for use of Onanda as a planned stop along the Canandaigua Lake Water Trail. We discussed the issue of payment of the fee for use. Below is the wording suggested for the fee payment:

Those entering by water:

  - will make prepayment of park entrance fee to Town of Canandaigua.
  - will keep receipt of payment to present at park if requested by park staff at time of entry by water.
4. We discussed sub-committees and how they would be structured and report to the main committee. These will be established at the January 22, 2019 Parks and Recreation/Trails Committee meeting.

Next meeting will be held at Town Hall at 6 pm on January 22, 2019

Respectfully submitted,

Karen Parkhurst
