2022 Strategic Goals

- **Encourage continued agricultural use of viable farmland and discourage development of those parcels by directing developers to more appropriate locations within the Town such as the three identified growth nodes** (Responsible entities per Comp plan: AAC, EDC)
- **Permanently protect lands with natural resource significance and support recreation on protected lands** (Responsible entities per Comp plan: TB, CIC, ECB and new Conservation Team- added by SR and SB)
- **Promote housing and development growth within identified growth nodes and discourage development in environmentally sensitive areas (revise ordinances as needed to achieve this goal)** (Responsible entities per Comp plan: EDC, DO, PB, ECB)
- **Support the development of affordable housing options and affordable transportation options for the local workforce** (Responsible entities per Comp plan: EDC, CLDC, DO, PB)
- **Invest in construction of roads, sidewalks, and bike lanes** (Responsible entities per Comp plan: PPW, EB, Highway)
