FIRE DEPARTMENT 2022 ANNUAL REPORT

MISSION STATEMENT

FIRE DEPARTMENT 2022 ANNUAL REPORT

MESSAGE FROM THE FIRE CHIEF

It is a privilege to present to you the FY 2022 Fire Department Annual Report. I am filled with pride when I consider all the accomplishments that our Fire Department has completed over the last year.

We had another monumental year in the Chosen Spot; to say 2022 was a busy year at CFD is an understatement. In between running a record call volume of more than 2200 calls for service, growing our ranks, and improving our stations, fleet and equipment, we have transformed this department into one of the most efficient emergency services providers in the region.

As mentioned, our calls for service were up again last year with an increase of 2.7 percent over the previous year and a massive 43 percent increase since 2017. Over the last few years, the role of the fire service has dramatically changed and increased in complexity and with that transformation, our commitment to serve our community has become stronger.

We implemented several new strategic programs, such as our Special Operations Division as well as a fluid comprehensive Community Risk Reduction program. Programs like these will help strengthen our response capabilities and our fire prevention mission as our community continues to grow and as our risk and hazards evolve.

Behind-the-scenes, construction of our new fire apparatus has begun to take shape amidst global supply chain issues and other worldwide challenges. Our apparatus committee has worked hard all year developing and designing a new Type I Engine to fit our needs. Other activities include working with our private sector stakeholders, like Gallo, Akoustics and Pactiv, to evaluate all aspects of emergency preparedness to assure we are properly equipped to handle a vast range of potential threats and hazards.

Though we are now a more capable community resource provider, we will not relent in our pursuit of continuous improvement. Our goal has always been, and remains, to exceed expectations and provide exceptional uninterrupted service 24/7/365.

All our firefighters work tirelessly throughout the year to train and prepare to utilize their skills when needed. Because firefighting skills are perishable, training continues as one of our top priorities. We strive to be one of the most comprehensive, well-trained departments in the State of New York. Many of our members can be found training or researching almost daily on topics such as Confined Spaces, Hazardous Materials, Rope Rescue, Water Rescue, Firefighting Operations, Emergency Operations and Driving, Emergency Medical Services, Fire Investigation, and Administrative or Leadership to name a few.

I am exceptionally proud of our skilled professionals who are pushed to their physical, mental, and emotional limits daily. Their passion for serving and their commitment to our mission has become what the community expects, but it is recognized by me as being often a sacrifice to their families, friends, and sometimes even their own health.

FIRE DEPARTMENT 2022 ANNUAL REPORT

We would be remiss not to acknowledge our community and all they do to support us. We are blessed to have incredibly strong support from our community, and we do not take that support for granted. We recognize that trust requires an ongoing investment and we welcome and embrace the importance of this investment.

Please contact me if you have any questions or have suggestions to improve our services to you. Thank you for allowing us to serve you.

Yours In Service,

Frank A. Magnera

Frank Magnera, MS, CFPS
Fire Chief & Fire Marshal

FIRE DEPARTMENT 2022 ANNUAL REPORT

2023 FIRE DEPARTMENT STRUCTURE

2023 DEPARTMENT ROSTER

CAREER

1. FRANK MAGNERA – FIRE CHIEF / EMT
2. SAM LOIACONO - CAPTAIN
3. JAY BOOCK – CAPTAIN / EMT
4. CORY MASSETH – CAPTAIN / EMT
5. BEN CRAMER – CAPTAIN / EMT
6. RON BEMENT – FF / EMT
7. MATT BEMENT – FF / EMT
8. TAYLOR NORTHRUP – FF / EMT
9. ADAM FAVILLE – FF / EMT
10. KEVIN FREDERES – FF / EMT
11. RYAN FOSTER – FF / EMT
12. ADAM PALUMBO - FF / EMT
13. TATE CASTLE – FF / EMT
14. JAKE BEMENT - FF / EMT
15. KEGHAN KELLY - FF / EMT
16. DAN CONKLIN - FF / PARAMEDIC
17. ADAM RIOCH - FF / EMT
18. ADAM CRANDALL - FF / PARAMEDIC

VOLUNTEER

1. DAN SPEERS - INTERIOR
2. JAMES BANCROFT - EXTERIOR
3. RYAN ZANGHI – EXTERIOR
4. DUDLEY PURBECK - EXTERIOR
5. MAX MAHONEY – EXTERIOR

PART-TIME

1. DEBRA YACUZZO – OFFICE MANAGER
2. JAY BOOCK – CAPTAIN / FIRE INSPECTOR

NOTABLE INCIDENTS

On February 9th, 2022 at approximately 02:30 AM, Ontario County 911 received a report of a possible structure fire at 5515 Canandaigua Farmington Townline Road. City of Canandaigua fire units Engine 212 and Tower Ladder 281 and Car 20 responded.

Fire crews made entry into the home and discovered fire in the attic space. The fire was extinguished quickly but due to the type of insulation in the attic space, proper overhaul took some time achieve. The fire loss was kept to a minimum but unfortunately, due to some electrical circuits in the attic space being compromised by fire, the home was temporarily vacated.

FIRE DEPARTMENT 2022 ANNUAL REPORT

On June 21, 2022 at approximately 2pm, a single engine aircraft crashed in an open field about a 1/2 mile off the roadway. The crash site was near the 5700 block of Yerkes Road, just northeast of the Canandaigua Airport.

The pilot was the only soul on board. The pilot sustained serious injuries and was flown to Strong Hospital. Many area agencies were involved with this incident. The FAA and Ontario County Sheriffs investigated.

FIRE DEPARTMENT 2022 ANNUAL REPORT

On August 8th, 2022 at approximately 3:14 PM Ontario County 911 received a report of a possible attic fire at 60 Charlotte Street in the City of Canandaigua. City of Canandaigua Fire units Car 20, Engine 211, Ladders 281 and 282 responded.

An off-duty career firefighter arrived on scene first and observed smoke coming from the roof gable vent of a two-story wood frame residential two-family home. Initial reports were all occupants out of the structure and accounted for. Car 20 and Engine 211 arrived on scene within 3 minutes from the time of the call and Car 20 declared a working structure fire. Car 20 called for the Canandaigua Veterans Affairs Fire Department to respond as the RIT Team.

City of Canandaigua Fire crews made entry into the home and discovered fire in the attic space. The fire was extinguished quickly but due to the type of insulation in the attic space, proper overhaul took some time achieve. The fire loss was kept to a minimum but unfortunately due to some electrical circuits in the attic space being compromised by fire, the home was vacated.

FIRE DEPARTMENT 2022 ANNUAL REPORT

On December 15, 2022, at 08:39 AM, firefighters were called to Liberty Apartments, 5251 Parkside Drive, for the report of a stove fire. Upon arrival, firefighters observed a considerable amount of smoke coming from the residence and declared a working fire in the kitchen. The sprinkler system kept the fire to the kitchen area and crews quickly extinguished the remaining fire with a hand line. No injuries were reported. Due to the extent of the damage, the occupants were temporarily displaced. The Red Cross is handling accommodations. No other apartment unit was affected or resident was displaced.

FIRE DEPARTMENT 2022 ANNUAL REPORT

SIMULTANEOUS INCIDENTS

In 2022, **29.5%** of all incidents were simultaneous or overlapping, meaning, one or more incidents occurred in the district during the same time. Simultaneous incidents can cause peak demand on the entire public safety system and stretch resources thin. CFD was able to cover all priority occurrences timely and reallocate resources to handle this demand.

FIRE DEPARTMENT 2022 ANNUAL REPORT

RESPONSE TIMES

NFPA 1710 requires that turnout time should be 80 seconds for fire incidents and 60 seconds for EMS incidents. Travel time to a fire suppression incident, by the initial arriving company, should be 4 minutes or less. In the majority of incidents, CFD exceeds these response times standards.

* m d q d d v "Lights & " m .
causes an increase in response times.

FIRE DEPARTMENT 2022 ANNUAL REPORT

FIRE PREVENTION

The mission of the Fire Prevention Bureau is to decrease the occurrence and severity of uncontrolled fire, increase occupant safety, and reduce property loss. This goal is achieved through fire safety inspections, code enforcement; issuance of violation notices and citations, public education, building plans review, pre-planning, and fire origin and cause investigations.

Our Fire Inspector, Captain Jay Boock, continues to conduct commercial fire and property maintenance inspections as well as educate business and property owners in regard to code compliancy and risk reduction. Other duties include tent, festival or special event inspections, mobile food vendor inspections, construction walkthroughs and code complaint investigations. Last year, the Inspection Office completed a total of **444 Fire Inspections, 128 Public Assembly Occupancy Inspections** and **272 operating permits were issued.**

CFD's Office Manager, Debra Yacuzzo, has redesigned our fire inspection database, permitting, and streamlined billing and other operations. As well, the Chiefs Office conducts numerous plan reviews to determine if the submitted plans (building plans, site plans, fire protection plans and other plans) meet the requirements of the various Codes and Standards that have been adopted by the State, City and Town throughout the year.

Yearly, our skilled Fire Investigators conduct and lead all fire investigations to determine origin and cause of all fires. The purpose of a fire investigation is to determine how the fire started and why the fire behaved the way it did. Data collected through fire investigations is a key element in addressing a community's fire problem or trends.

FIRE DEPARTMENT 2022 ANNUAL REPORT

DEPARTMENT HIGHLIGHTS

CAPITAL IMPROVEMENTS

In 2022, CFD purchased 30 new 3M Scott X3 Pro Self-Contained Breathing Apparatuses or SCBA's and the SEMS II accountability system. These priceless pieces of equipment help prioritize the safety of our firefighters by enhancing communication and tracking abilities at the scene of a fire with multiple streams of real-time information, both visual and auditory. CFD also took delivery of 6 new Scott SKA Escape Pak's for confined space rescue, 2 RIT or Rapid Intervention Bags, a new Pak Tracker, and numerous spare cylinders as well as we upgraded our Cascade Breathing Air Filling Station.

FIRE DEPARTMENT 2022 ANNUAL REPORT

NEW CAREER FIREFIGHTERS

In February 2022, CFD hired Firefighter / EMT's, Jake Bement, Keghan Kelly and Paramedic Firefighter, Dan Conklin (Not pictured). All three were transfer firefighters from the Fishers Fire District and are welcomed addition to our Fire Department family.

NEW E-ONE ENGINE

In 2022, the apparatus committee designed a new E-ONE Type I fire engine to replace Engine 212. CFD once again went with Premier Fire Apparatus Inc. for our apparatus needs. Due to global supply chain issues, delivery will be closer to the end of 2024.

FIRE DEPARTMENT 2022 ANNUAL REPORT

NEW E-ONE TOWER LADDER

Work continues on the new Tower Ladder 281 at the E-ONE plant in Florida. We should be taking delivery sometime this April.

NEW FIRE CHIEF'S VEHICLE – C20

In May, CFD placed into service its new Fire Chief / Incident Command Vehicle. This Ford 150 Full Hybrid pickup truck is expertly set up to direct fire ground and rescue operations with efficiency.

This truck is an important part of the Canandaigua Fire Department's arsenal in fighting fires and responding to emergencies, and the new truck in particular has features that will not only help the Fire Chief or Incident Commander do their jobs efficiently, but will also help ensure safety at emergency scenes.

FIRE DEPARTMENT 2022 ANNUAL REPORT

NEW SQUAD / UTILITY VEHICLE – S263

In 2022, CFD repurposed a former DPW pickup truck for use in our Special Operations Division. This truck will support services such as the technical rescue program, training as well as buildings and grounds.

FIRE DEPARTMENT 2022 ANNUAL REPORT

SPECIAL OPERATIONS

The Special Operations Division handles all technical rescue services that we provide or assist in. Disciplines such as, Confined Space Rescue, High & Low Angle Rope Rescue, Cold water / Ice Rescue, Surface Water Rescue, Collapse Rescue, Trench Rescue, and Hazardous Materials.

In May, firefighters from the City of Canandaigua, City of Syracuse, City of Rochester, Fishers Fire District and the Ontario County Rope Rescue Team completed the NYS Confined Space Rescue Technician Level course. Over five days, firefighters trained on legacy and new techniques regarding rescuing subjects from confined spaces.

FIRE DEPARTMENT 2022 ANNUAL REPORT

In May, CFD also conducted a series of water rescue drills with the lifeguards at Kershaw Beach. Joint training and partnerships between the Life Guards, Canandaigua Emergency Squad, law enforcement and our firefighters is extremely important should a water or land emergency occur in Kershaw or the Lake District.

FIRE DEPARTMENT 2022 ANNUAL REPORT

In October, Canandaigua Firefighters performed a confined space rescue drill / grain bin rescue drill using aerial apparatus, supplied air respirators, and rope equipment. This drill included members from the Ontario County Rope Rescue Team, Bristol Volunteer Fire Department, and Farmington Volunteer Fire Association. Special thanks to the Stryker Family Farm for hosting this drill.

AWARDS & CITATIONS

Letter of Commendation

presented to

Captain / EMT Jay Boock

Firefighter / EMT Ryan Foster

On Saturday, November 12th, 2022, you were part of an Engine crew that responded to the report of a 56-year-old male patient who had recent vascular surgery and was severely bleeding from the surgical site at their home on Grove Drive in the City of Canandaigua.

On your arrival, your crew encountered a male patient that was profusely bleeding from their femoral artery. You and your crew member quickly evaluated the patient, manually controlled the bleeding, and continued to do so while transferring patient care to Canandaigua Ambulance as well as while transporting the patient to the Hospital for further care.

Your quick thinking, professionalism, and skill in treating this patient did not go unnoticed and ultimately saved this person's life.

*On behalf of the City of Canandaigua Fire Department and the citizens of our community, I would like to commend you for your actions that day. Your dedication to providing such excellent patient care clearly demonstrates your commitment to carrying on the Fire Department's proud reputation of **Excellence in Public Service**.*

Fire Chief and Fire Marshal

FIRE DEPARTMENT 2022 ANNUAL REPORT

COMMUNITY RISK REDUCTION & FIRE PREVENTION

Our skilled Fire and Life Safety Educating team continues to provide fire safety education to area schools, civic groups and the community. In 2022, the team, led by Captain Sam Loiacono, provided numerous school age children with fire safety education and the EDITH Contest. EDITH stands for Exit Drills In The Home. Students in 3rd, 4th and 5th grade from St. Mary's and Canandaigua City Schools were tasked with creating their own home fire escape plan which includes a sketch floor plan on how to get out safely if a fire in their home should occur. Winners received a plaque and the class received a pizza party. Crews also spent time with Pre-K to 2nd graders on more generalized fire safety education. Ultimately, our fire prevention messages have impacted hundreds of children and adults around the area keeping our community safer from fires and or injury.

FIRE DEPARTMENT 2022 ANNUAL REPORT

In July, Captain Sam Loiacono and Firefighters Taylor Northrup, Adam Palumbo, Tate Castle as well as Chief Magnera provided fire prevention education to residents at Eighty Parrish Street Apartments. Firefighters also witnessed their fire drill and provided some guidance. A similar fire prevention program was held at Thompson Apartments on North Main Street as well.

SMOKE ALARM INSTALLATION PROGRAM / CAMPAIGN

CFD continues to partner with the American Red Cross to install smoke alarms where needed in the City and Town, as well as teach residents how to prevent and survive home fires. The campaign includes:

- Canvassing at-risk neighborhoods
- Installing free KIDDE 10-year battery - Smoke Alarms
- Replace batteries in existing alarms
- Provide fire prevention and safety education

In 2022, CFD crews installed over **30** smoke alarms in the community and provide fire safety education to those residents.

FIRE DEPARTMENT 2022 ANNUAL REPORT

FIRE PREVENTION GRANT

In 2022, Thompson Health awarded CFD with \$1500.00 through the F.F. Thompson Foundation, Community Health Grants Program to acquire a limited supply of hearing-impaired smoke alarms for residents in need. These alarms provide an additional level of protection for hearing impaired individuals in that they use a slightly louder alert, along with a flashing strobe to notify people of a possible smoke condition or potential fire in their homes. CFD is still rolling out this program to the community.

COMMUNITY OUTREACH & ENGAGEMENT

On June 15th, 2022, firefighters were out providing fire prevention education in the community. Firefighters spent most of the day at Pactiv Corporation offering portable fire extinguisher demonstrations and fire prevention education on home fire safety as part of their Safety Day.

FIRE DEPARTMENT 2022 ANNUAL REPORT

Also in June, firefighters provided portable fire extinguisher training to 180 employees of the Canandaigua Winery as part of their Safety Day.

In October, area Emergency responders and community agencies joined DePaul for their second annual Bean Bags and Barbecue event at the Trolley Station Apartments in Canandaigua. Following a barbecue, representatives from the New York State Police, the Ontario County Sheriff's Office, City of Canandaigua Fire Department and FLACRA joined DePaul staff and residents for a little friendly competition.

Canandaigua Firefighter / EMT Matt Bement placed first in the tournament with his partner.

Trolley Station Apartments is a non-certified New York State Office of Mental Health program that offers long-term or permanent housing where residents can access the support services.

FIRE DEPARTMENT 2022 ANNUAL REPORT

In December, CFD Engine 212 participated in Good Night Lights at Golisano Children's Hospital with other area first responders.

FIRE DEPARTMENT 2022 ANNUAL REPORT

Also in December, marking its 54th year, Canandaigua Firefighters delivered Christmas cheer to the Canandaigua Community Residence on Gibson Street. Santa aboard Engine 211 arrived with plenty of gifts, pizza, cookies, and hot cocoa. While Santa was busy handing out gifts, firefighters prepared hot cocoa for all to enjoy.

FIRE DEPARTMENT 2022 ANNUAL REPORT

“Thank you to all the members of this fine organization for continuing to uphold the traditions that are the foundation of the Canandaigua Fire Department. I hope our performance showcases our commitment and dedication to the citizens of our community.”

Chief Frank Magnera
