The following resolution was acted upon by the Canandaigua Town Board on December 21, 2020.

RESOLUTION NO. 2020 – 282: REVIEW AND AUTHORIZATION OF THE 2021 PRIORITY GOALS FOR THE CITIZENS' IMPLEMENTATION COMMITTEE

WHEREAS, the Town of Canandaigua Town Board established the Citizen's Implementation Committee (CIC) in April 2014 to oversee the full implementation of the goals laid out in the Town of Canandaigua's Comprehensive Plan Update 2011; and

WHEREAS, the CIC has continued to meet twice monthly since its formation in order to track the progress of each goal and implement action steps identified in the Comprehensive Plan; and

WHEREAS, each year the CIC has prioritized certain goals on which to focus in order to chart a course for the continued full implementation of the plan and some of these have resulted in the creation of project teams that will continue their work under the supervision of the CIC ongoing or until finished; and

WHEREAS, the CIC has reviewed the priority topics that were to be addressed in 2020 (details included in attached report) and is aware that many of these will need to be continued into 2021 because of the limitations on forward progress due to the pandemic and is therefore recommending the following items be prioritized for continuation and/or completion in 2021:

- Natural Resource Protection – Goals 3, 4, 7, & 8
 - Protection of Canandaigua Lake – Goal 4
 - Promote the protection of Canandaigua Lake water quality and its watershed through enhanced outreach to area residents in coordination with and in support of the following local and State agencies currently working towards water quality improvement:
 - Canandaigua Lake Watershed Council
 - Canandaigua Lake Watershed Association
 - Ontario County Soil and Water Conservation District
 - Finger Lakes Land Trust
 - NY Department of Environmental Conservation
 - Community and Urban Forestry Management Plan – Goal 3, 4, 7, & 8
 - Protect and Enhance the health of Town of Canandaigua's Forests and Trees
 - Tree Team will continue their work into 2021. The team recognizes the role that individual trees and forests play in both ecological and public health and welfare and how a healthy community forest is beneficial to the wellbeing of residents and visitors.
- Mixed Use Overlay - Implementation of Uptown Study – Goal 13
 - Bergmann Associates, in cooperation with the Town Board Economic Development Committee, will develop and recommend design and code updates, to include potential form-based code recommendations, for the Uptown region of the Town

- Implementation of Uptown Study recommendations through the Economic Development Committee and subgroups. CIC to offer support and assistance wherever possible.
- Conservation Easements – Goals 3, 4, 7, & 8
 - Strengthen conservation efforts including enhancing and establishing clearer processes and supportive framework for:
 - The Town’s farmland protection program that utilizes Purchase of Development Rights (PDRs) through the NY State Department of Agriculture & Markets’ Farmland Protection Implementation Grants program
 - Starting a Transfer of Development Rights (TDR) program,
 - Offering opportunities for promotion and monitoring long-term or permanent conservation easements on private property.
 - Conservation Easement Project Team will continue working with LaBella Associates to provide recommendations to revise the Town Code related to Conservation Subdivision regulations.
- Update the Town of Canandaigua Comprehensive Plan first adopted in 2003, and last updated in 2011.
 - The Comprehensive Plan is currently undergoing a complete update which began in early 2019 with the creation of a Comprehensive Plan Update Project Team, led by the Town Planner and Development Office staff.
 - 2021 projects for the Comprehensive Plan Update Project Team will continue the process begun in 2019 and wrap up with public outreach and adoption in the spring of 2021.
- Support future residential growth that makes Canandaigua livable for people of all ages, abilities, and income levels. Explore price points. – Goal 18
 - Create a volunteer project team to focus on housing affordability and availability in the Town.
 - Working with the Planning Board and the Development Office, explore opportunities to encourage residential developments that will support this goal.
 - Middle Cheshire Road and Hospital Corridor Active Transportation Plan project currently underway with Bergmann Associates will include recommendations to enhance safe transportation for all abilities and ages. This project has potential for carryover information that will be useful in the achievement of Goal 18.
- Gateway Signage – Goal 16
 - Place welcome signage at all major gateways into the Town
 - The Gateway Signs project team will reconvene in 2021 to work towards this goal.
 - The team’s priorities include making recommendations to the Town Board relating to any necessary code changes to allow the signs, sign designs, how many will be placed, and in what key locations the signs will be.
- Continued support of other Town Committees and Project Teams; and

NOW THEREFORE BE IT RESOLVED, the Town Board of the Town of Canandaigua hereby approves the 2021 priority goals for the Citizens’ Implementation Committee and directs the Town Clerk to provide a copy of this resolution to the Committee.
