Passcode: 748284

The Town of Canandaigua, in conjunction with the City of Canandaigua and Genesee Transportation Council, is currently conducting the Middle Cheshire Road and Health Care Services Corridor Active Transportation Plan. This plan focuses on Middle Cheshire Road and West Street from Wells Curtice Road to Bristol Street and includes recommendations for pedestrian and bicycle treatments and transportation improvements to enhance mobility and accessibility options for vehicles, pedestrians and bicyclists.

Join the project team for a virtual meeting to learn about the proposed treatment options and provide your feedback on transportation enhancements.
